

1978
Gould Academy
Herald

Dedication

*The Class of 1978 would like to dedicate the 1978 edition of the Gould Academy Herald to Francis "Hi" Berry in the hope of expressing gratitude and appreciation for the many contributions he has made to the school community.

*During his 21½ years at the Academy, Mr. Berry was involved in several facets of the school community. As a teacher, he sought to insure an understanding of the subject he taught, mathematics. As a coach, he worked to instill the importance of teamwork, good sportsmanship, and pride in playing for the school. As an advisor, he showed interest and concern for a student's well-being.

*Enough could never be said about how much this one man has done for Gould Academy. His many contributions will not be forgotten.

*Good luck to "Bear" and his family always.

"To care for another person, in the most significant sense, is to help him grow and actualize himself . . . Caring is the antithesis of simply using the other person to satisfy one's own needs . . . Through caring for certain others, by serving them through caring, a man lives the meaning of his own life. In the sense in which a man can ever be said to be at home in the world, he is at home *not through dominating, or explaining, or appreciating, but through caring and being cared for.*"

"Farewell to you and the youth I have spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky.

But now our sleep has fled and our dream is over, and it is no longer dawn.

The noontide is upon us and our half waking has turned to a fuller day, and we must part.

If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.

And if our hands should meet in another dream we shall build another tower in the sky."

To disgrace, distract, and bother me
And the dirt of gossip blows into my face

Lee Norton Murphy

December 15, 1962 - May 7, 1978

Lee Murphy was a beloved member of the Gould community and a good friend to many. His contributions to the community were numerous and it is regretful that we can not repay him for what he had done. A naturally happy person, he inspired happiness in others. We will always remember him and regret his tragic death. He will be remembered as an energetic person. Although our loss is irreparable, fond memories of Lee will always persist.
